

Success story of Gojarbai Mangu Konkani

District: - Nandurbar

Block: - Navapur

Gram Panchayat: - Malwan

Financial year: - 2018-19

Total Expenditure: - 1.4033lakh

Mondays generated: - 60

Preface: - Gram panchayat Malwan, Tal. Navapur, District: - Nandurbar

The work has been done under agriculture department (MGNERAGA) had taken fruit plantation when she had done plantation at that time, she will be taking care of plants perfectly hence here before there is no continues source of income but due to fruit plantation there are High chances of growth in income in less fertile soil.

Implementation of process: -

First, we have requested agriculture department for plantation than we have implemented all the procedure under mgnrega we have given this application for Administrative and technical sanction after we got permission from department, we get plants Easily According to this plantation she goes 60 maydays has been created.

By self independent she had been doing this plantation and got all permission under MGNREGA with the help of Seeds, water, plants she successful did Fruit plantation.

Convergence: - No

Benefits: -

Benefits of work is that form this described work which is allotted through MGNREGA, the people in malvaan has been benefited with upto rupees 5,01,043 to empower & stabilized their future and family.

Before plantation she used to struggle a lot to get decent income from farming but due to less fertile of land and drought areas for this reason, she dint get good income for any other crops it couldn't help in good way but after she took plantation under mgnrega she will get good

income during summers as in from of natural mangoes she can get good amount in market and earn money from that she can be easily reach up to annually income in of rupees 1lakhs.

DATA COMPARATIVE INFORMATION: -

Out of 1.4033lakh unskilled expenditure mentioned in budgets the actual exendtiuer in the incurred today is 80000 unskilled expenditure the actual exendtiuer incurred is 60man days have been created on this till date still man days will be created there fore it will help to increase the economic income of the villagers and will also uplift their lives.
